The Honorable Bill Huizenga  
Chairman Commerce Committee  
Michigan House of Representatives

Dear Representative Huizenga:

On behalf of the more than 800 businesses that make up the membership of the Bay Area Chamber of Commerce, I would like to thank you for sponsoring, along with Representative Jeff Mayes, H.B. 6108, a bill to amend the Obsolete Property Rehabilitation Act. This legislation is important to our continuing efforts to upgrade and develop Bay City by serving as a positive stimulus to continued development in our central city.

We urge you to continue to actively support this business redevelopment initiative.

Sincerely,

Michael D. Seward, CCE
